Her Right Foot by Dave Eggers, Shawn Harris (Illus.) (Chronicle Books, \$19.99) "Her Right Foot is not only informative and beautifully illustrated, it's also hilarious and really fun to read. I can imagine reading this aloud to kids and adults, and I think both would learn and gain understanding from it, as well as have a lot of fun. The message of the book is important and timely as well, as there are still many immigrants and children of immigrants in the U.S. (aren't almost all of us children of immigrants if we go back far enough?), and sending a message of understanding and welcoming is imperative."
