

Dear Friend of Independent Business,

Want to keep tax dollars in the community, help the environment, and nurture unique communities across the country? Support independent booksellers by joining the American Booksellers Association's [IndieBound.org Affiliate Program](http://IndieBound.org).

By becoming one of more than 2,000 affiliates, you can offer visitors to your website the choice to buy your book from an independent bookstore, an alternative many people prefer. Plus, you'll earn valuable affiliate commissions for every referral resulting in a sale!

The newly improved program features real-time reporting that tracks all clicks on your affiliate links for the last 30 days, commissions earned since your last affiliate payment, and all your previous statements. The program also features new, smaller icons to blend in seamlessly with any website:

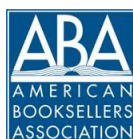

To sign up for the program, simply follow [this link](#), or contact one of ABA's Member Relationship Managers with any questions:

Elizabeth Nichols, 800-637-0037 ext 6614 or elizabethn@bookweb.org

Kaitlin Pitcher, 800-637-0037 ext 6666 or kaitlin@bookweb.org

We look forward to working with you!

Best,
Elizabeth & Kaitlin
