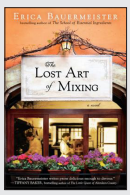
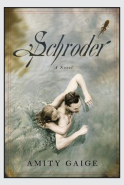
Other Indie Favorites



The Lost Art of Mixing: A Novel, by Erica Bauermeister (Putnam Adult, $25.95) "*The Lost Art of Mixing* is the poignant and often hilarious sequel to *The School of Essential Ingredients*. Cooking classes brought the characters together in the first book and entwined their stories with one another as effectively as the ingredients they were learning to blend. In this book, new characters are introduced and the resultant 'mixing' of their lives gives the reader further insights into their personalities and circumstances. Happily, the threads of this story also lend themselves to future volumes." **—Melanie Mayberry, Cornerstone Cottage Kids, Hampton, IA**



Schroder: A Novel, by Amity Gaige (Twelve, $21.99) "This deeply layered novel about an embattled father reclaiming his only joy drew me in with the intense beauty of its language and the doomed journey of its unreliable narrator. In Erik Schroder, Gaige gives us a character who should repel but whom I loved for his humanity and the way he expressed his love for his daughter and she, her love for him. Schroder takes the reader into the arrested heart of a foreigner whose need to appear American is ultimately his undoing. That we care about him is a testament to Gaige's skill and compassion." **—Vicki DeArmon, Copperfield's Books, Sebastopol, CA**
