Other Indie Favorites

Texts From Jane Eyre: And Other Conversations With Your Favorite Literary Characters, by Mallory Ortberg (Henry Holt & Company, \$23)

"If this book were liquor, I'd buy shots for the whole bar. If it were a YouTube video, I'd be walking around showing it to strangers on my phone. But it's a book, so I'm going to buy multiple copies and hand them out to everyone I know who loves to read. The combination of irreverent, modern text-speak and classic literary characters makes for one hilarious imaginary conversation after another. The exchange between the husband and wife from Charlotte Perkins Gilman's *The Yellow Wallpaper* had me snort-laughing! Every English major, every bookseller, every reader of any sort needs this book!" —**Mary Laura Philpott, Parnassus Books, Nashville, TN**

Irene: The Commandant Camille Verhoeven Trilogy, by Pierre Lemaitre, Frank Wynne, Trans. (MacLehose Press, \$26.99)

"This extremely suspenseful, fast-paced crime novel is not for the fainthearted. Its graphic violence may turn some readers away, but those who stick through the opening scenes will be richly rewarded by following Commander Verhoeven's pursuit of a monstrous serial killer who models his gruesome crimes on scenes from classic crime novels. The intense action is enriched by scenes from Verhoeven's domestic life, as well as the interactions among the distinct personalities of his Paris detective squad." —**Joe Strebel, Anderson's Bookshops, Naperville, IL**

Another Indie Favorite

Runner, by Patrick Lee (Minotaur Books, \$9.99) "When Sam Dryden decides to go for a run near the beach, he almost runs over a young girl who is also running, but definitely not for fun. She is being chased by what seems to be an army, and Sam—ex-military himself—can't help but come to her rescue. What follows is an exciting story of brainwashing and psychic manipulations. Sam and his young friend must always stay one step ahead of the folks who want to get her, but then Lee throws in an interesting twist to make readers question the identity of the real bad guys. An amazing book that will keep you up until you finish!" —**Barbara Kelly, Portland Bookstore, University of Southern Maine, Portland, ME**

Another Indie Favorite for Ages 8 to 12
Absolutely Truly: A Pumpkin Falls Mystery,
by Heather Vogel Frederick
(Simon & Schuster Books for Young Readers, \$16.99) "Truly Lovejoy must deal with being six feet tall at 12 years old, having a father who is adjusting to civilian life after a military tour and losing an arm, and working with her family to save her grandparents' bookstore—not to mention also trying to solve a 10-year-old mystery! Truly is an immediately endearing character, and the many moving parts in this story do not disrupt the seamlessness of the writing. *Absolutely Truly* is the wonderful debut of a new mystery series that will send readers scurrying to their favorite chair after visiting their local bookstore. I can't wait for 'Truly's next mystery!' —**Rebecca Waesch, Joseph-Beth Booksellers, Cincinnati, OH**
