Noelle Stevenson, HarperTeen, \$14.99

For Ages 9 to 12

The Star Thief, by Lindsey Becker (Little, Brown Books for Young Readers, \$16.99) "There is so much beautiful astronomy, astrology, and adventure packed into this book! Pirates, stars that come alive, ships made from floating forests, sea monsters, talking wolves, and a heroine who can hold her own in this crazy world—*The Star Thief* has it all, and more. Never a dull moment!" —Beth Albrecht, **The Magic Tree Bookstore, Oak Park, IL**

For Teen Readers

The Bone Witch, by Rin Chupeco (Sourcebooks Fire, \$17.99) "Think: geisha + magic + kaiju. I loved Chupeco's writing, as always, plus the magic and creature aspects of the world-building, the characters, and the past and present back-and-forth narrative. Tea, who's arguably an evil mess, is a capable and fast learner, as she has to be, considering her rare powers, but she is also deeply flawed in many ways (and terrible at singing). *The Bone Witch* is a very solid opening to a fantasy series that I hope to see blossom in the sequels." —Allison Senecal, **Old Firehouse Books, Fort Collins, CO**
