★ 10. **15th Affair** James Patterson, Maxine Paetro, Grand Central, \$9.99

Another Indie Favorite

The Muse: A Novel, by Jessie Burton (Ecco, \$15.99) "Burton's follow-up to *The Miniaturist* also takes place in the art world, but this time the settings alternate between London in the 1960s and pre-Civil War Spain in the 1930s. In 1967, a long-lost work by a dead Spanish painter turns up in London. Is it really an original Isaac Robles? Or is there a more complicated story behind the intriguing painting? A fun read with interesting meditations on the purpose and making of art."
—Susan Taylor, Book House of Stuyvesant Plaza, Albany, NY
