A screenshot of the 'Add content type' configuration page. The left sidebar contains sections: 'Submission form settings' (Name), 'Publishing options' (Published), 'Display settings' (Don't display post information), 'Menu settings', and 'Ubercart product settings' (Not shippable). A red circle with the number '1' is next to 'Ubercart product settings'. The main content area has a checkbox for 'Product and its derivatives' (checked) with a red circle '2' next to it, and a 'Product image field' dropdown menu set to 'Image'. A red circle '3' is next to the 'Save content type' button at the bottom.
