

## Free Shipping on Shipments of \$25 or More

Place a shipment of \$25 or more, and we'll send it via Economy Mail free of charge.

### Guidelines:

- Items from Remote Warehouses are grouped as a separate order, shipping directly from that warehouse. Flat-rate and free shipping for Remote Warehouse items will be calculated independent of items from other locations.
- Shipping costs or any applicable taxes are not included in the \$25 total.
- You must select Economy Mail while setting up your account or at checkout.
- This offer remains valid even if we are unable to fill your entire order.
- Only orders sent via Economy Mail within the United States and U.S. territories are eligible for this special offer. This offer does not apply to orders placed with Standard Ground, 3 Day Express, Next Day Air, 2nd Day Air, International Standard, International Expedited, or International Express.
- Free and flat-rate shipping applies only to orders placed via our website at Powells.com, not in our stores.
- While DVDs do not count toward your free shipping total for books, DVDs are eligible for their own free shipping.
- Orders will be shipped when all available items have been gathered. In-stock items will not be shipped individually.
- Preorders and backorders: Because books "on order" ship when available, shipping charges for these items are applied individually per title. Preorders and backorders do not count toward the total of your in-stock order.

## Flat-Rate Shipping

You'll pay only \$3.99 Economy Mail, no matter how many books you buy!
