Other Indie Favorites

The Radleys: A Novel, by Matt Haig (Free Press, \$25) "The Radleys have secrets like other families, and one in particular that will rip your throat out. Matt Haig puts a wicked British twist on suburban family drama. Wry and racy, with the right fire in the blood to keep you turning pages late into the night, *The Radleys* is a story about a family tearing things apart. Come closer, there's something you need to see here!"
—Geoffrey Jennings, Rainy Day Books, Fairway, KS

Toward the Setting Sun: John Ross, the Cherokees and the Trail of Tears, by Brian Hicks (Atlantic Monthly Press, \$26) "Few have heard of John Ross, yet he is surely one of the 19th century's greatest heroes. In the face of a systematic and aggressive campaign to take Cherokee land, Ross defended his people with both ferocity and dignity. Brian Hicks is a skilled writer and historian and this work is enlightening, powerful, and highly recommended." —Christopher Rose, Andover Bookstore, Andover, MA

Another Indie Favorite

The Year of the Hare: A Novel, by Arto Paasilinna (Penguin, \$14) "A modern day fable from one of Finland's most famous and popular authors, this book tells the story of a journalist and a hare. While on an assignment, Kaarlo Vatanen hits a hare with his car and breaks its leg. Rather than drive on, Vatanen rescues the hare and subsequently abandons his job, his wife, and all his possessions. Thus begins an adventure told in a funny, sweet, and loving parable of animal companions, rural life, and the rejection of modern consumer society." —Ellen Burns, Books on The Common, Ridgefield, CT

Another Indie Favorite for Teen Readers

Five Flavors of Dumb, by Antony John (Dial Books for Young Readers, \$16.99)
"Is it possible for a functionally deaf girl to successfully manage a band whose music she can't hear? Piper has lived in the background most of her life until an unexpected moment of cockiness leads her to offer to get Dumb—a mediocre high school band—a paying job within one month. This turns her world upside down, threatening—and promising—to change everything. It is impossible not to root for both Piper and Dumb in this absolutely wonderful novel!" —Melissa Posten, Pudd'nhead Books, Webster Groves, MO
