Another Indie Favorite

This Glittering World: A Novel, by T. Greenwood (Kensington, \$15) "When Ben Bailey went outside to enjoy the first snowfall and to fetch the paper, he found a dying young man. He had no idea that this would be the catalyst to look into himself to find out who he is and what he really wants to do with his life. His planned future becomes uncertain as he finds himself more and more enmeshed in helping the beautiful sister of the man prove that this was a homicide and a hate crime. This is a riveting tale of what we owe to the people in our lives, what we owe to ourselves, and the cost of the compromises we make." —Jackie Blem, Tattered Cover Bookstore, Denver, CO
