Another Indie Favorite

The Marrowbone Marble Company: A Novel, by M. Glenn Taylor (Ecco, \$14.99) "Gripping and raw and set between the moral compass of the '40s and the social revolution of the '60s, this novel follows a West Virginia family through their turbulent relationships with war, poverty, social injustice, and racial segregation. It would be hard not to call this a piece of fine art, with its classic storytelling and brilliant writing." —**Scott Fultz, Next Chapter Bookshop, Mequon, WI**
