Another Indie Favorite for Teen Readers

The FitzOsbornes in Exile (The Montmaray Journals), by Michelle Cooper (Knopf, \$17.99) "This sequel to *A Brief History of Montmaray* delivers the goods. After their island home is destroyed by the Germans, Sophia and her family evacuate to London, where they try to regain control of their homeland. Set in the years leading up to WWII, the family saga, both bittersweet and hilarious, continues. This meticulously researched book presents another great work from a stellar voice in historical fiction for young adults." —Cathy Berner, Blue Willow Bookshop, Houston, TX
