Other Indie Favorites

Northwest Angle: A Novel, by William Kent Krueger (Atria, \$24.99) "Krueger's latest Cork O'Connor tale is partly based on a real event—straight-line winds that flattened a great swath of forest in northern Minnesota. This fast-paced thriller leads the reader through a tangled web of secrets that unfolds unpredictably until the satisfying end. The characters are deep and spiritual and the landscape beautiful. Some Native American wisdom adds to the story. If you have not read Krueger's previous novels, this book will have you seeking them out." —Kristin Hurlin, The Cottage Book Shop, Glen

The Most Dangerous Thing, by Laura Lippman (William Morrow, \$25.99) "The past is always with us, and no one knows that better than Laura Lippman. The not-so-innocent games of five children have consequences that resonate through decades, changing some lives and destroying others. Using narration from various viewpoints, including a haunting collective voice, Lippman once again demonstrates her incisive abilities of observation, which make her one of the finest chroniclers of modern society." —Bill Cusumano, Nicola's Books, Ann Arbor, MI

Exley: A Novel, by Brock Clarke (Algonquin, \$13.95) "Miller is nine years old and struggling with the disappearance of his father, who may or may not have joined the army and gone to Iraq. Miller's 'mental health professional' strains the definition of the title 'professional.' Miller's mother is bitter and quite sure that joining the military is the last thing her husband would have done. And then there's Frederick Exley, who inhabits the novel through the relationship each of these characters has with his book, *A Fan's Notes*. Even if, like me, you have never read *A Fan's Notes*, you will feel rewarded by this smart and moving novel." —**Stan Hynds, Northshire Bookstore, Manchester Center, VT**

The Dagger Quick, by Brian Eames (Paula Wiseman Books/Simon & Schuster, \$15.99) "A father tried to protect his boy from the lure of the sea, but after the loss of his family the young hero joins a pirate crew with the hope of finding a vast treasure and a hidden heirloom dagger and catching the rival pirate gang that has taken his stepmother and brother. Far more buckling than swash and packed with action, this is a great pirate book." —Andrea Vuleta, Mrs. Nelson's Toy & Book Shop, La Verne, CA
