#### Other Indie Favorites

**I Married You for Happiness: A Novel, by Lily Tuck (Atlantic Monthly Press, \$24)** "Lily Tuck's new novel is a gem. Sitting beside the body of her husband who died unexpectedly while she was making dinner, Nina spends the whole night with his body, remembering their marriage of 43 years—the early years as well as the highlights, both the good and the difficult. Written with honesty by a woman who clearly understands relationships and all of the intimacies and secrets that go along with marriage, this is a novel to be savored." —**Penny McConnell, Norwich Bookstore, Norwich, VT**

**The Orchard: A Memoir, by Theresa Weir (Grand Central Publishing, \$23.99)** "Weir's memoir is not only the story of her struggle as a troubled youth, but also of her acceptance into the hard life of a farmer's wife under an oppressive and controlling family matriarch. *The Orchard* is a love letter to her husband and to the life that they built together, as well as a love letter to nature and what nature will yield. It is also a tale of caution regarding the great harm that is done with pesticides and aggressive farming. Weir tells her story with grace, compassion, and unflinching honesty." —**Calvin Crosby, Books Inc., Berkeley, CA**
