Another Indie Favorite for Ages 4 to 8
11 Experiments That Failed, by Jenny Offill and Nancy Carpenter (Schwartz & Wade, \$16.99) "The inquisitive young scientist in this picture book is part Eloise, part Ms. Frizzle. She tests each of her hypotheses—such as that ketchup and snow are the only food groups a kid needs—with pure scientific standards. Fantastic illustrations demonstrate the scientific method and show the reader what goes on behind the scenes, for example, when you try to send a bottle to the ocean by flushing it down the toilet. This book had me giggling at every page!" —Neyssa Jensen, *The Rediscovered Bookshop, Boise, ID*

All Fiction Series titles are hardcover and paperback, unless noted.
