Another Indie Favorite

Three Stages of Amazement: A Novel, by Carol Edgarian (Scribner, \$16) "I have nothing but praise for this wonderful novel! Edgarian's ability to capture the reality of the everyday routines and dilemmas of her characters results in a powerful connection with the reader. Her interconnected stories grip us not only because of the lessons they teach, but also because of her astonishing skill and wisdom as a storyteller who makes the mundane become so compelling. I truly couldn't stop thinking about these people long after turning the last page." —**Roberta Rubin, The Bookstall at Chestnut Court, Winnetka, IL**
