Other Indie Favorites

The Coldest Night: A Novel of Love & War, by Robert Olmstead (Algonquin, \$23.95) "In *The Coldest Night*, Olmstead tells the story of Henry Childs and his first love, his run from its failure into the brutality of the Korean War, and his scarred return home. Reading Olmstead is like eating a meal put together with a minimum number of ingredients that have lovingly been transformed into something amazing and truly satisfying. Olmstead is an author every lover of words should read, and this new novel is a great place to start." —**Lisa Sharp, Nightbird Books, Fayetteville, AR**

Dust to Dust: A Memoir, by Benjamin Busch (Ecco, \$26.99) "In this powerful memoir, Busch muses on life both concrete and abstract. He traces his life—as a boy, a marine, a son, a father, an actor—through a prism of materials: stone, ash, water, blood, and bone. Each chapter is a different view into the same life, taking us deeper and deeper, letting us up to breathe, then pulling us back down to the heart of things. No matter if he's rebuilding a farmhouse in Michigan or training marines in North Carolina, Busch focuses completely on the moment and takes us there, and then connects us back to the wide world. A book to savor, to appreciate, and to be changed by." —**Kate Reynolds, Colgate Bookstore, Hamilton, NY**

Another Indie Favorite

The Sleepy Hollow Family Almanac: A Novel, by Kris D'Agostino (Algonquin, \$13.95) "Kris D'Agostino has penned a modern, dysfunctional family classic that tears away the melodrama that is found too often in the genre. The story of the Morettis' triumphs and tragedies is written with such a gritty, raw, visceral style, it leaves the reader shaken. Seldom does a book paint such a bleak picture of modern American home life while still, at its core, having such a warm and caring heart and soul. Much like Calvin Moretti as the result of his trials and tribulations, this book will change you in ways you never expected." —**Matt Falvey, Next Chapter Bookshop, Mequon, WI**

Another Indie Favorite for Teen Readers

The False Prince, by Jennifer A. Nielsen (Scholastic Press, \$17.99) "Led by the intimidating but brilliant Connor, four orphans are forced to compete for the essential role in a treasonous plot—that of impersonating the long-disappeared Prince Jaromir of Carthya. Set in the Middle Ages, this tale invites readers to follow 15-year-old Sage, a defiant and witty orphan, through a twisted, dangerous, and all-consuming journey that, if unsuccessful, will result in his death. Full of suspense and dark humor, *The False Prince* is a compelling read. I look forward to Book Two." —**Stephanie**
