Other Indie Favorites

As the Crow Flies: A Walt Longmire Mystery, by Craig Johnson (Viking, \$25.95) "Walt Longmire and Henry Standing Bear try to balance wedding planning for Walt's daughter with solving the murder of a woman whose body they find at a potential ceremony location. Add in a troublesome new tribal chief, and Walt is in over his head. Another wonderful addition to this amazing series! Johnson balances humor, action, and mystery like a master!" —**Anne Kimbol, Murder By the Book, Houston, TX**

To the Last Breath: A Memoir of Going to Extremes, by Francis Slakey (Simon & Schuster, \$27) "This is a splendid and exciting read about the author's transition from self-centered narcissist to world citizen during his 10-year, physically and emotionally rigorous adventure to be the first person to climb the highest summits on every continent and surf all the oceans of the world. Highly recommended!" —**Gary Colliver, Windows on the World—Books & Art, Mariposa, CA**
