Other Indie Favorites

The Watch: A Novel, by Joydeep Roy-Bhattacharya (Hogarth, \$25) "From the very exciting launch of the British imprint Hogarth in the United States comes a raw and poignant tale of the war in Afghanistan. Inevitable repercussions for the soldiers and citizens of the country play out viscerally in a novel that takes its cues from the Antigone myth. There is much to learn and then to think about here." —**Dana Bringham, Brookline Booksmith, Brookline, MA**

Seating Arrangements: A Novel, by Maggie Shipstead (Knopf, \$25.95) "This is the kind of character-driven, thoroughly enjoyable read I love! It easily compares to the family drama in J. Courtney Sullivan's *Maine* and the humor in Richard Russo's *That Old Cape Magic*. Just add lots of gin and tonics, men in pants with whales on them, and characters with names like Biddy, Fee, and Oatsie, and you've got the irresistible *Seating Arrangements!*" —**Claire Benedict, Bear Pond Books of Montpelier, Montpelier, VT**
