**Kepler's Dream**, by Juliet Bell (Putnam Juvenile, \$16.99) "Here's a book that manages to deal with some of the weighty issues that can threaten modern childhood—divorce and a parent's serious illness—while still acknowledging that life, in all of its whacky glory, does go on. Kids still love Fruit Loops, they still tell little white lies, they worry about bad haircuts, and they can't resist solving a mystery when one drops in their laps. Delightful, authentic characters make this a fine summer book for middle readers." —Susan Scott, *The Secret Garden*, Seattle, WA
