Other Indie Favorites

Shout Her Lovely Name, by Natalie Serber (Houghton Mifflin Harcourt, \$24) "From the first page, this extraordinary collection of short stories grabbed me by the throat and would not let go. Each one is filled with poignant, thought-provoking observations on the tenuous, yet unbreakable, bond between mothers and daughters. Serber has given readers a remarkable, heartfelt book to be savored, shared, and passed on from one generation to another." — **Anderson McKean, Page & Palette, Fairhope, AL**

Juliet in August, by Dianne Warren (Amy Einhorn Books/Putnam, \$25.95) "This quietly lovely story of people finding joy where they can is set near the Little Snake Hills sand dunes of the Canadian West, where small town lives can be as dry and brittle as the prairie grasses or as rich as the history of the area. Among the characters are a man and a woman with an old drive-in theater and a missing camel named Antoinette; a couple and their children getting deeper in debt; and a lost Arabian horse who helps a man discover what to do with his life. Highly deserving of Canada's Governor General's Award." — **Susan Wasson, Bookworks, Albuquerque, NM**

- 10. The Hobbit** J.R.R. Tolkien, Ballantine, \$8.99

Another Indie Favorite

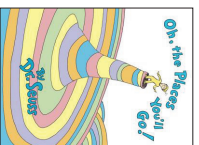

Miss Fuller: A Novel, by April Bernard (Steerforth, \$14.99) "One of the great things fiction can do is pluck a historical figure from obscurity and introduce her to a new audience. April Bernard accomplishes this with flying colors when she gives Margaret Fuller, a 19th century transcendentalist and feminist, posthumous life. Modern readers are richer for her efforts." —Emily Crowe, *Odyssey Bookshop, South Hadley, MA*

John Flanagan, Puffin
 - Harry Potter**
J.K. Rowling, Scholastic/Arthur A. Levine Books
- All Fiction Series titles are hardcover and paperback unless noted.
- Another Indie Favorite for Ages 4 to 8**
Kepler's Dream, by Juliet Bell (Putnam Juvenile, \$16.99) "Here's a book that manages to deal with some of the weighty issues that can threaten modern childhood—divorce and a parent's serious illness—while still acknowledging that life, in all of its whacky glory, does go on. Kids still love Fruit Loops, they still tell little white lies, they worry about bad haircuts, and they can't resist solving a mystery when one drops in their laps. Delightful, authentic characters make this a fine summer book for middle readers." —**Susan Scott, The Secret Garden, Seattle, WA**
