Another Indie Favorite for Teens

Timepiece: An Hourglass Novel, by Myra McEntire (Egmont USA, \$17.99)

"McEntire has outdone herself with this newest installment in the Hourglass series! This story continues the Hourglass' search for Landers through the eyes of Kaleb Ballard. But when the 'powers that be' issue an ultimatum to find Jack or rewrite time, the Hourglasses realize that there is more going on here that they thought. This novel is a perfect sequel, and I can't wait to see what will happen next!" —Emily Grossenbacher, Lemuria Bookstore, Jackson, MS
