Another Indie Favorite

The Last Policeman: A Novel, by Ben Winters (Quirk, \$14.95) "The clichéd plot of the end of the world gets a new look in *The Last Policeman*. With an asteroid on its way to Earth, normal life has already shut down. Faced with certain doom, people decide working is a fool's game and head off to fulfill their 'bucket lists,' except for a very few, including Detective Hank Palace. His only desire is to be a policeman, so he can't help trying to solve crimes even though it's a thankless job. Modern technology is useless with no workers to keep it going, so Hank uses old fashioned footwork and reasoned thinking to find a murderer. If certain doom ever becomes reality, I would include this series in my stack of books to read before the end!" —Emily Crowe, Odyssey Bookshop, South Hadley, MA
