Other Indie Favorites

Vengeance: A Novel, by Benjamin Black (Henry Holt, \$26) "If you haven't yet discovered Benjamin Black (a.k.a. John Banville) and his marvelous creation, Dr. Quirke, then you are missing some first-rate writing and entertainment. *Vengeance* is the fourth in a series set in Dublin in the late 1950s featuring the good doctor, a somewhat grumpy pathologist, and his drinking and sleuthing companion Inspector Detective Hackett. Quirke is a flawed man of many weaknesses, yet he manages to be in a state of permanent self-deprecation that he takes as a sign of virtue, and that makes him an irresistible and believable character." —Darwin Ellis, *Books on the Common*, Ridgefield, CT

You and Me: A Novel, by Padgett Powell (Ecco, \$23.99) "Experience the utter joy of shooting the breeze on the porch with a couple of crotchety, intelligent old codgers. Inventive, funny, and profound, Powell turns phrases like a dervish in this Southern-styled ersatz retelling of *Waiting for Godot*. A wonderful book that perfectly captures kicking back and trying to make sense of the crazy world streaming by." —Josh Cook, *Porter Square Books*, Cambridge, MA

Another Indie Favorite

If Jack's in Love: A Novel, by Stephen Wetta (Berkley, \$15) "Jack Witcher's voice is one of the most heartbreaking I've heard in a long time. He's 12 going on 13 and in love with Myra Joyner. When Myra's brother goes missing and Jack's older brother, Stan, becomes the leading suspect in the disappearance, Jack's world starts to unravel. Not that he ever had it very good: his father is unemployed and hangs around the house watching soap operas; his brother is a pot-smoking 'hippie freak' with a terrible temper; and his mother is trying to understand why her family is the laughingstock of the town. Wetta has written a coming-of-age novel set in 1967 that is at once dark, witty, and charming." —Ken Favell, *Books & Company, Oconomowoc, WI*

Eoin Colfer, Hyperion

Another Indie Favorite for Teen Readers
Pushing the Limits, by Katie McGarry (Harlequin Teen, \$17.99) "I picked up this book and thought, 'Oh, please save us from another typical high school romance story,' and that is exactly what Katie McGarry has done. Told from the alternating perspectives of Echo—a girl with physical and emotional scars bespeaking a past she cannot remember—and Noah—a self-important fringe-walking bad boy who doesn't need anyone—this novel is expertly crafted and wholly believable. Sophisticated teens rejoice! Here's the number-one book on your summer 'must read' list!" —Andrea Greenlee, *Page One Bookstore*, Albuquerque, NM
