### Another Indie Favorite for Ages 9 to 12

**Deadweather and Sunrise: The Chronicles of Egg, Book 1, by Geoff Rodkey (Putnam Juvenile, \$16.99)**—"When his emotionally distant father, bratty sister, and bullying brother are swept away in a hot air balloon accident, Egg—real name Egbert—is barely able to register the loss. The father of the girl he's falling for is trying to kill him, there may be magical treasure buried on his family's land, and he keeps getting captured by pirates! This first book in a new series is filled with humor, adventure, and more bloodthirsty pirates than you can shake a peg leg at!"—**Jannie Schildknecht, The Rediscovered Bookshop, Boise, ID**
