Other Indie Favorites

The Paternity Test, by Michael Lowenthal (University of Wisconsin Press, \$26.95) "This novel is at once timely and classic. Readers won't be able to help rooting for Pat and Stu as they struggle to conceive a child through surrogacy and fight their family's—and their own—preconceived notions of what it means to be gay, all while trying to salvage their rocky relationship. Lowenthal's latest novel ultimately addresses the universal question: What makes a family a family? Deftly told and perfectly paced. Don't miss this one!" —Alise Hamilton, Andover Bookstore, Andover, MA

May We Be Forgiven, by A.M. Homes (Viking Adult, \$26.95) "Homes' latest darkly comic novel is more poignant and moving than it appears at first glimpse, and the rudderless, hapless Nixon scholar Harold Silver's year in the wilderness is more eye-opening than he can at first admit to himself. As Harry grows and grieves in his own way over the course of the insanity-laced year, we are happily along for the ride, unquestioningly loving the person he becomes. A truly remarkable feat of storytelling that both pulsates with the underlying ache of loss and manages to crack a couple of your ribs when you laugh too hard!" —Seth Marko, UCSD Bookstore, La Jolla, CA

Another Indie Favorite

The Angel Esmeralda: Nine Stories, by Don DeLillo (Scribner, \$15) "This is the book DeLillo fans have been waiting for—his first collection of short stories written between 1979 and 2011. In these stories, DeLillo takes global themes and ideas, the conflicts we often don't want to acknowledge, and makes them human. The subjects are true and resonant: a jogger who witnesses a kidnapping, an elderly nun working in poverty-stricken New York, an astronaut looking down on a war-ravaged Earth. Each story is textured in DeLillo's precise, startling voice, one that can shout and whisper at the same time." —**Michael Karpus, Books & Books, Bal Harbour, FL**

Another Indie Favorite for Ages 9 to 12

Homesick, by Kate Klise (Feiwel & Friends, \$16.99) "The clever title of this novel is just the beginning of another great read from Klise. Benny's mom has left him, his difficult dad, and all the clutter in their house. When a local teacher enters their town in a 'most charming small town' contest, the pressure is on to get the family home cleaned up. With a cast of quirky small-town characters and a natural disaster that no one knew was coming, Klise once again creates a place you would like to visit and characters you would like to meet. There is a lot of great 'stuff' in her new novel!"
