Willie Nelson, Morrow, \$22.99

#### Other Indie Favorites

**Brain on Fire: My Month of Madness**, by Susannah Cahalan (Free Press, \$25) "A young reporter's near-death experience started with what seemed to be a bedbug bite, followed by an out-of-character migraine. Cahalan forgot a pitch meeting. She snooped on her boyfriend's email. Beloved newspaper clippings were tossed. Garbage piled up in her apartment. And then the seizures began. This compelling story of one woman's descent into madness and the equally horrifying journey of her family to find suitable help works both as a great literary memoir as well as a well-reported medical mystery. You might say the result is *Girl, Interrupted* with a dash of *The Hot Zone* and a sprinkling of *The Exorcist*!" —Daniel Goldin, Boswell Book Company, Milwaukee, WI

**Eight Girls Taking Pictures: A Novel**, by Whitney Otto (Scribner, \$24) "Otto is masterful in telling the stories of eight women photographers — their creative lives, their struggles balancing family and work, their politics (sexual and otherwise), and their place within the art community and the world events of the 20th century. All are skillfully presented and intricately woven together to create an unforgettable novel. Yes, it is fiction, but Otto has drawn from the real lives of gifted, renowned photographers, and the stories behind the images, whether real or imagined, are compelling, inspiring, and very entertaining. What a feast of a novel!" —Cathy Langer, Tattered Cover Book Store, Denver, CO

- The Catcher in the Rye** J.D. Salinger, Warner, \$6.99

### Another Indie Favorite

**Holy Ghost Girl: A Memoir, by Donna M. Johnson (Gotham, \$16)** "Johnson's treatment of her childhood immersed in the Pentecostal tent-meeting movement is flawless. She is truthful about her memories, but she does not rush to the judgment of others. Weak of flesh but strong in willpower, well-meaning Randall Terrell is the leader of a traveling group of the faithful. Tent meetings are huge, and once the donations become enough to cover bills, they soon lead to an excess that is all too familiar. This is an excellent book for those wanting to both know more about this particular spiritual movement and gain some understanding of the faith that kept the followers going." —Linda Bond, Auntie's Bookstore, Spokane, WA

Veronica Roth, Katherine Tegen Books

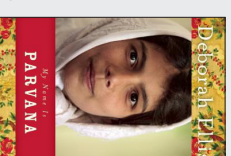

All Fiction Series titles are hardcover and paperback unless noted.

## Another Indie Favorite for Teen Readers

**My Name Is Parvana, by Deborah Ellis (Groundwood Books, \$16.95)**

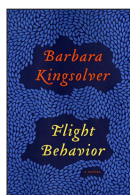

"Parvana cannot remember a time when she did not believe her life was close to disaster—when living in Kabul trapped indoors by the Taliban, wandering the countryside full of hunger and fear, living in a refugee camp, and, finally, being arrested as a terrorist after the school she and her mother had bravely built to teach girls had been bombed. This book is a powerful testament to humans who struggle everyday for food, shelter, and peace." —Karen Briggs, Great Northern Books and Hobbies, Oscoda, MI
