Another Indie Favorite

The Guilty One: A Novel, by Lisa Ballantyne (William Morrow Paperbacks, \$14.99) "The Guilty One is a profound, heart-wrenching, thought-provoking must-read. While it is primarily the story of a little boy accused of murder and his lawyer, it is also a mesmerizing study of the three main characters and how they are each affected by horrible events in their past. It is a compelling story that pulls you into the lives of the characters and won't let you leave." —Nancy McFarlane, Fiction Addiction, Greenville, SC
