Another Indie Favorite for Teen Readers

The Rithmatist, by Brandon Sanderson (Tor Teen, \$17.99) "Joel desperately wants to be a Rithmatist—part of a select order that can bring chalk drawings to life to battle wild chalklings and keep the human race safe. But since he's not, Joel spends his time learning everything he can about Rithmatics and befriends an outcast professor and another student, who end up helping him in his own battle. This well-plotted story is perfect for all sorts of readers—the math geek, the fantasy lover, and the sucker for happy endings. I can't wait for a sequel!"
