Another Indie Favorite for Teen Readers
The Burning Sky, by Sherry Thomas (Balzer + Bray, \$17.99) "With an impressive mix of magic, adventure, joviality, and romance, Thomas throws her characters—and the reader—immediately into danger with the 'simple' act of fixing a spell gone wrong. Magic flies loose and fast through the pages as Iolanthé Seabourne and Prince Titus fight both with each other and toward their goal of destroying the Bane, the ruler of Atlantis and a despicable villain. In the meantime, there's cricket to learn, disguises to maintain, and dragons to slay. This first book in the Elemental Trilogy is chock full of marvelous storytelling and clever twists." —**Annie Carl, Third Place Books, Lake Forest Park, WA**
