The Purity of Vengeance: A Department Q Novel, by Jussi Adler-Olsen (Dutton, \$26.95)
"Since his involvement in an incident in which a detective was killed and another paralyzed, Detective Carl Morck of Copenhagen's Department Q has been assigned to a basement office to work on cold cases. Among a backlog of cases, his assistants discover a series of mysterious disappearances that occurred almost 15 years earlier, all within the same few days. The coincidence intrigues Morck, and two characters, still living, seem to be the common denominator. Adler-Olsen delivers a fast-paced narrative that will keep readers turning the pages until the satisfying conclusion." —**Mary Fran Buckley, Eight Cousins, Falmouth, MA**

Rosarito Beach: An Agent Kay Hamilton Novel, by M.A. Lawson (Blue Rider Press, \$26.95)
"Once readers delve into this first book of a new series by the author of the popular Joe DeMarco novels, they will immediately be drawn into the world of Kay Hamilton, rugged DEA agent and obstinate, independent loner. Up against a tough drug lord in Mexico, Hamilton is able to hold her own until her own daughter is taken hostage. Then it demands all of Hamilton's ingenuity and guts to find her daughter and set her free. Just how far will a mother go to save her child? I want the next Kay Hamilton soon, Mr. Lawson!" —**Linda Bond, Auntie's Bookstore, Spokane, WA**
