Other Indie Favorites

Above: A Novel, by Isla Morley (Gallery Books, \$24.99) "Blythe can't imagine anything worse than the 17 years she has been held captive in an abandoned underground missile silo, until she escapes with her teenage son. The book begins as the compelling story of a teenager who has to endure her abduction by a mad survivalist, who is convinced that the world is coming to an end, but it ends as a riveting, heart-stopping tale of determination, love, and hope for the future." —Nancy McFarlane, Fiction Addiction, Greenville, SC

Runner, by Patrick Lee (Minotaur, \$24.99) "All I can say about this thriller is wow! When Sam Dryden decides to solve his insomnia by going for a run near the beach, he almost runs over a young girl who is also running, but definitely not for fun. She is being chased by what seems to be an army, and Sam—ex-military himself—can't help but come to her rescue. What follows is an exciting story of brainwashing and psychic manipulations. Sam and his young friend must always stay one step ahead of the folks who want to get her, but then Lee throws in an interesting twist to make readers question the identity of the real bad guys. An amazing book that will keep you up until you finish!" —Barbara Kelly, Portland Bookstore, University of Southern Maine, Portland, ME

Another Indie Favorite

Her: A Memoir, by Christa Parravani (Picador, \$16) "Whether you are a fan of memoirs, a fiction reader, or just plain love great writing, this true story of twin sisters separated first by violence and then by tragedy is a must-read. Parravani offers a deep look inside the inner life of twins and shows how addiction can tear at the very heart of a family. A mesmerizing read." —**Laura Hansen, Bookin' It, Little Falls, MN**

Another Indie Favorite for Ages 9 to 12

The Secret Box, by Whitaker Ringwald (Katherine Tegen Books, \$16.99)

"Take one 12-year-old girl with insatiable curiosity and a talent for getting into trouble, give her a mysterious box from an estranged aunt that will only open in one location, throw in a couple of mismatched boy cousins, and stir: Ringwald's *The Secret Box* gives the middle school set their own smart and snazzy intellectual mystery series. An exciting and engaging read." —Kenny Brechner, *Devaney Doak & Garrett Booksellers, Farmington, ME*
