Other Indie Favorites

Roosevelt's Beast: A Novel, by Louis Bayard (Henry Holt, \$27) "It is 1914 and Teddy Roosevelt and his son, Kermit, along with other members of a scientific expedition, are traveling deep into the jungle to map Brazil's Rio da Duvida, the River of Doubt. Kermit and Teddy are kidnapped by a mysterious Amazonian tribe, and the head tribesman explains that the tribe needs their help to kill 'The Beast With No Tracks,' which has been killing jaguars as well as humans, but has never been seen. Another wonderful reinvention of the past by acclaimed author Bayard, whose literary style includes wit, suspense, and psychological horror with a twist." —Karen Briggs, Great Northern Books & Hobbies, Oscoda, MI

Murder at Cape Three Points, by Kwei Quartey (Soho Crime, \$26.95) "Two bodies appear drifting in a canoe at the Cape Three Points oil drilling rig. They turn out to be Charles and Fiona Smith-Aidoos, prominent members of the local community. Charles works for Malgum Oil, the company that owns the rig. The local police investigate, but nothing comes of it. Sapphire, the Smith-Aidoos' niece, requests the help of the Ghanaian federal police, and Inspector Darko Dawson of the Accra police is assigned. Quartey portrays the country of Ghana with all its charms and quirks, a culture that stands at the brink of the modern world, yet has not lost its tribal traditions. The result is a thoroughly fascinating book." —Janice Hunsche, Kaleidosaurus Books, Fishers, IN

Another Indie Favorite

The River of No Return: A Novel, by Bee Ridgeway (Plume, \$16) "This romp in time has it all! There's a dashing hero, several feisty heroines, some really nasty bad guys, and plenty of mystery, suspense, humor, and romance as Ridgeway navigates her eminently plausible route along the River of Time, which is filled with paradoxes and switchbacks. Shelf this alongside Gabaldon's *Outlander*, and Harkness' *Discovery of Witches*." —Annie Leonard, *The Next Chapter*, Knoxville, IA

All Fiction Series titles are hardcover and paperback unless noted.

Another Indie Favorite for Teen Readers
Alpha Goddess, by Amalie Howard (Sky Pony Press, \$16.95) "Howard's *Alpha Goddess* is a breath of fresh air for any young adult fantasy fan. Sera's adventures in discovering her parentage and her existence as the reincarnation of Lakshmi, one of the most powerful beings in the created universe, are exciting and interesting. Sera finds herself caught amid the battle between good and evil and must choose to take her place as the savior of the known world. Howard's writing is excellent and her concept stands out among the flood of angel and demon fiction already populating the genre. —**Demi Marshall, Park Road Books, Charlotte, NC**
