**Another Indie Favorite for Ages 9 to 12**  
**West of the Moon, by Margi Preus (Amulet, \$16.95)** "From the very first sentence, Preus draws the reader into her story, both through her lyrical language and the suspense she creates when 13-year-old Astri is sold to a cruel goat farmer and forced to work for him. Tension builds as Astri longs to escape, reunite with her little sister, and follow their father to America. Set in 19th century Norway, the book skillfully weaves Norwegian folk tales, mystery, and Preus' own family history into one satisfying tale." —Carla Kethner, Chapters Books & Gifts, NE Seward, NE
