### Another Indie Favorite

**The Cold Song**, by Linn Ullmann (Other Press, \$15.95) "Elegant and incisive, *The Cold Song* exposes a complex family drama that revolves around the day a beautiful young woman goes missing. When she is found murdered, her family members must sort out their suspicions of one another and question their own degrees of responsibility for her death. This novel is a startling meditation on loss, how we deal with it, how it echoes through generations, and how our mistakes cause us to lose the ones we love." —Jenny Patiño Cervantes, City Lit Books, Chicago, IL
