## Another Indie Favorite

**Enon: A Novel, by Paul Harding (Random House, \$15)** "Enon is the town where Charlie and his wife, Susan, and daughter, Kate, live until one September day Kate is run over while riding her bike home from the beach. Kate's birth had bound Charlie and Susan back together, and according to Susan, was supposed to make them both better people. What now? How does any parent survive the death of a child? Charlie will travel a tormented road of sorrow, grief, anger, hopelessness, and the big question—why? A moving meditation including the history of Enon, the seasons of New England, and the mysteries of life. Profound, powerful, and heartbreaking. Not to be missed." —Karen Briggs, Great Northern Books & Hobbies, Oscoda, MI
