### Other Indie Favorites

**Diary of the Fall: A Novel, by Michel Laub, Margaret Jull Costa (Trans.) (Other Press, \$20)** "This novel is an emotional hand grenade, one of the most devastating and powerful works I've read in some time. As Laub's narrator traces his own downfall and delves into the trauma that ripples through his family history, I found myself propelled forward and backward with him, unable to resist this small novel's terrible gravity or the narrator's powerful honesty. *Diary of the Fall* is one of those rare books that doesn't just hold your attention, it demands it. I simply couldn't stop reading." —Tom Flynn, 57th Street Books, Chicago, IL

**Island of a Thousand Mirrors: A Novel, by Nayomi Munaweera (St. Martin's Press, \$24.99)** "This beautifully written novel relates the story of two families on opposite sides of a conflict on the island of Sri Lanka. Readers experience the passions and brutalities of the civil war between the Tamil Tigers and the Sinhalese Sri Lankan military. This conflict began in 1948, when the British left the island formerly named Ceylon, and ended in 2009. The customs, foods, and colors of the island permeate the descriptions of the daily life of the people in this excellent book." —Sally Van Wert, MacDonald Book Shop, Estes Park, CO
