Other Indie Favorites

How to Build a Girl: A Novel, by Caitlin Moran (Harper, \$26.99) "In Wolverhampton, England, in 1990, 14-year-old Johanna humiliates herself on live television. Shortly thereafter, she decides to reinvent herself as Dolly Wilde, a fast-talking, hard-drinking sex adventurer who writes for the local music rag. Never mind that she doesn't drink, that she's a virgin, and that her music collection is comprised solely of The Beatles and the Bee Gees. Armed with eyeliner, a fair amount of Thunderbird 20/20, and pure determination, Dolly breaks onto the scene and makes a new life for herself, only to realize that the hardest—and most heartbreaking—changes are the ones we make within. Laugh-out-loud hilarious, inspiring, and profound, Moran has written the coming-of-age story of our time." —**Amanda Hurley, Inkwood Books, Tampa, FL**

A Deadly Wandering: A Tale of Tragedy and Redemption in the Age of Attention, by Matt Richtel (William Morrow, \$28.99) "A *Deadly Wandering* is a riveting account of the fatal tragedy and subsequent seminal legal—and moral—battle that led to texting-while-driving bans being signed into law. It links neuro-scientific research, legal undertakings, and narrative nonfiction that is full of vivid, heartbreaking, real-life characters to expose and objectively question our modern glorification of multitasking and technological connectedness. Richtel's exceptional reporting will absolutely change the way you think about the devices that keep us online. This is one of the most important books of our time." —**Julia Sinn, Bookshop Santa Cruz, Santa Cruz, CA**

Another Indie Favorite

Jeeves and the Wedding Bells: An Homage to P.G. Wodehouse, by Sebastian Faulks (St. Martin's Griffin, \$15.99) "Dash it all! Jeeves and Bertie Wooster return in Faulks' homage to Wodehouse. Jeeves seems to interfere with Bertie's plans to save the engagement of a friend. Georgiana, a right smashing gal by any standard and the cousin of Woody's fiancée, dives right into the bumbles and misguided efforts that seem to surround any Wooster plan. Jeeves impersonates a lord while Bertie becomes his butler—and a thief—but all in a good cause, of course. Great fun and a wonderful entrée in to the world of Wodehouse!" —**Becky Milner, Vintage Books, Vancouver, WA**

Another Indie Favorite for Teen Readers
The Unfinished Life of Addison Stone: A Novel,
by Adele Griffin (Soho Teen, \$17.99) "Original and compelling, this novel incorporates interviews, photographs, media clippings, and fine art to weave together the life and mystery behind fictional artist Addison Stone's rise to fame and untimely death. Griffin is a masterful storyteller and an inventive writer, and she deftly combines these ingredients to give us a portrait of a talented and mentally ill young woman who is far more interesting than most real celebrities living or dead." —Heather Hebert,
