S.C. Gwynne, Scribner, \$35

### Other Indie Favorites

**Love Me Back: A Novel, by Merritt Tierce (Doubleday, \$23.95)** "Not for the faint of heart or for those who need redemptive tales, *Love Me Back* is the story of Marie, a very smart, hard-working, but self-destructive young woman waitressing at a high-end restaurant in Dallas. In spare prose, Tierce brings the reader inside the world of the service industry and inside the head of a 20-something who makes many bad choices. Drugs, alcohol, casual sex, rundown apartments—these are the everyday things of Marie's existence. Tierce skillfully draws the reader into this world with a story that is eye opening, sometimes shocking, but never dull. Recommended!" —Ellen Burns, *Books on the Common*, Ridgefield, CT

**Good Grief: Life in a Tiny Vermont Village, by Ellen Stimson (Countryman Press, \$23.95)**

"After reading Stimson's earlier book, *Mud Season*, I knew I wanted to at least be Facebook friends with her. Now that I've read *Good Grief*, I wish she were my next door neighbor because everyone needs fun, witty people like her in their lives. Stimson's new memoir hits all the high points for readers—it is witty, philosophical, laugh-out-loud funny, and totally relatable. Laugh along with her at the mundane and not-so-mundane situations that can flare up unexpectedly in life." —Sue Roegge, *Chapter2Books*, Hudson, WI

- 10. Bossypants** Tina Fey, Reagan Arthur/Little Brown, \$9

### Another Indie Favorite

**Dept. of Speculation: A Novel, by Jennie Offill (Vintage, \$15)** "I found myself gasping at the sheer beauty and conciseness of Offill's sentences. This book can be devoured in two hours, or you can linger in it over many sittings (or both). It's about love and loneliness and grief and joy and fidelity and beauty and depression and mania and motherhood and writing. The shifting points of view were subtle yet profound, and, despite the darkness and sadness of the story, when I closed the book, I was left more alert and attentive, more alive. Highly recommended." —Janet Geddis, Avid Bookshop, Athens, GA

Dav Pilkey, Scholastic

All Fiction Series titles are hardcover and paperback unless noted.

## Another Indie Favorite for Ages 9 to 12

**Nest, by Esther Ehrlich (Wendy Lamb Books, \$16.99)** "Set in the 1970s, this heartbreaking novel is told from the perspective of 11-year-old amateur ornithologist Naomi, known as 'Chirp.' When Chirp's mother is diagnosed with a devastating disease, each member of the family is affected differently. Chirp copes by throwing herself into her birdwatching and a friendship with a neighborhood boy who himself is no stranger to family discord. Realistic, haunting, and lovely, this is a book for parents to share with their children, for book clubs to discuss, and for teachers to read aloud." —Emily Ring, **Inklings Bookshop, Yakima, WA**
