### Another Indie Favorite

**Through the Evil Days, by Julia Spencer-Fleming (Minotaur Books, \$15.99)** "Police chief Russ Van Alstyne and Episcopal minister Claire Fergusson attempt to take their long-awaited honeymoon, only to become embroiled in a murder and child-kidnapping case in upstate New York. A blizzard cuts off most normal means of communication as well as the roads, and the clock ticks as they attempt to locate the missing girl, who won't survive if she doesn't get her medication in time. A wonderful addition to this outstanding series!" —**Connie Brooks, Battenkill Books, Cambridge, NY**
