Another Indie Favorite

Stringer: A Reporter's Journey in the Congo, by Anjan Sundaram (Anchor, \$15.95) "The tumultuous history of the Congo is fraught with power at its most corrupt, capitalism in its greediest form, and human survival at its most desperate. Sundaram, who lives in Kigali, Rwanda, knew nothing of journalism or the Congo when he traveled there to write about the country and pursue a writing career. This debut is the result of an 18-month occupation during which Sundaram is robbed, contracts malaria, and sees firsthand the undignified crushing of the human soul. This is reportage in its most excellent form—immediate, informative, and riveting." —Sarah Bagby, Watermark Books & Café, Wichita, KS
