## Other Indie Favorites

**Texts From Jane Eyre: And Other Conversations With Your Favorite Literary Characters, by Mallory Ortberg (Henry Holt & Company, \$23)**

"If this book were liquor, I'd buy shots for the whole bar. If it were a YouTube video, I'd be walking around showing it to strangers on my phone. But it's a book, so I'm going to buy multiple copies and hand them out to everyone I know who loves to read. The combination of irreverent, modern text-speak and classic literary characters makes for one hilarious imaginary conversation after another. The exchange between the husband and wife from Charlotte Perkins Gilman's *The Yellow Wallpaper* had me snort-laughing! Every English major, every bookseller, every reader of any sort needs this book!" —**Mary Laura Philpott, Parnassus Books, Nashville, TN**

**Irene: The Commandant Camille Verhoeven Trilogy, by Pierre Lemaitre, Frank Wynne, Trans. (MacLehose Press, \$26.99)**

"This extremely suspenseful, fast-paced crime novel is not for the fainthearted. Its graphic violence may turn some readers away, but those who stick through the opening scenes will be richly rewarded by following Commander Verhoeven's pursuit of a monstrous serial killer who models his gruesome crimes on scenes from classic crime novels. The intense action is enriched by scenes from Verhoeven's domestic life, as well as the interactions among the distinct personalities of his Paris detective squad." —**Joe Strebel, Anderson's Bookshops, Naperville, IL**
