### Other Indie Favorites

**Vanessa and Her Sister: A Novel, by Priya Parmar (Ballantine Books, \$26)** "This novel tells the story of sisters Vanessa and Virginia Stephens, later to become Vanessa Bell and Virginia Woolf. Vanessa, an emerging painter, tells their stories in her journal accompanied by the letters and telegrams of their families, husbands, and the many brilliant artists and painters in their circle. It is a story of art, literature, betrayal, emotional upheaval, and, above all, the many complicated forms love takes. Set against the backdrop of Edwardian England, a time of sweeping social transformations, *Vanessa and Her Sister* is a moving portrait of a brilliant family." —**Staci Rice, Bluebird Books, Hutchinson, KS**

**Viking Bay: A Kay Hamilton Novel, by M.A. Lawson (Blue Rider Press, \$26.95)** "As recounted in the first book in this series, *Rosarito Beach*, Kay Hamilton went rogue while working for the DEA and was fired. She now has the perfect job working for the Callahan Group, a top secret agency that does the government's dirty work. Lawson has found the perfect vehicle for Kay's daredevil personality and her no-holds-barred action when she is trying to right a wrong or bring someone to justice. A rogue agent in a rogue agency suits Kay to a T and makes for nonstop action and a great, entertaining read." —**Nancy McFarlane, Fiction Addiction, Greenville, SC**
