### Another Indie Favorite

**If Only You People Could Follow Directions: A Memoir, by Jessica Hendry Nelson (Counterpoint, \$15.95)** "Memory doesn't move in a straight line. It is chaotic, digressive, and imperfect. While most memoirs force life into the restrictions of straight lines, Nelson embraces the chaos by moving back and forth in time, free-associating among memories and organizing her life into a series of essays. What could be just another memoir of a family disintegrated by substance abuse becomes a vibrant and challenging exploration of abuse, obsession, coping, family, friendship, and self-discovery." —**Josh Cook, Porter Square Books, Cambridge, MA**
