### Another Indie Favorite

**Roosevelt's Beast: A Novel, by Louis Bayard (St. Martin's Griffin, \$16.99)** "It is 1914 and Teddy Roosevelt and his son, Kermit, along with other members of a scientific expedition, are traveling deep into the jungle to map Brazil's Rio da Duvida, the River of Doubt. Kermit and Teddy are kidnapped by a mysterious Amazonian tribe, and the head tribesman explains that the tribe needs their help to kill 'The Beast With No Tracks,' which has been killing jaguars as well as humans, but has never been seen. Another wonderful reinvention of the past by acclaimed author Bayard, whose literary style includes wit, suspense, and psychological horror with a twist." —Karen Briggs, Great Northern Books & Hobbies, Oscoda, MI
