Another Indie Favorite

The Transcriptionist: A Novel, by Amy Rowland (Algonquin Books, \$14.95) “Lena works as a transcriptionist for *The Record*, a major newspaper based in New York City. Her job is to transcribe reporters’ stories and interviews in preparation for publication. Her life is a quiet one, full of other people’s voices. The reader is drawn into Lena’s isolated life where she’s haunted by the brutal stories she records every day, as well as memories of her childhood. This is a thoughtful, ultimately hopeful novel about the degree of tenderness we bring to the millions of fine details about other people’s lives we encounter every day.” —Julie Wernersbach, BookPeople, Austin, TX
