### Another Indie Favorite

**Families, Families, Families!** by Suzanne Lang (Random House Books for Young Readers, \$16.99) "Some books have that special something—something that engages children, opens their minds, and encourages acceptance. *Families, Families, Families!* is one of those books. Many children will see their own unique family on its pages, while others will see other families they know. *Families, Families, Families!* celebrates the beauty and diversity of everyone's most precious love—their family. It belongs on every child's bookshelf!" —Kirsten Hess, Let's Play Books!, Emmaus, PA
