Another Indie Favorite

The Misadventures of Sweetie Pie, by Chris Van Allsburg (HMH Books for Young Readers, \$18) "What would it be like to frolic outside in nature? Sweetie Pie, a hamster, can only wonder. He lives a closed-in, solitary life in a pet shop and knows too well the downright horror of domestic life. Van Allsburg lends readers another life lesson with subtle, almost-real color and form in his new picture book, *The Misadventures of Sweetie Pie*."
