## Another Indie Favorite

**Whisper Hollow: A Novel, by Chris Cander (Other Press, \$17.95)** "Set in a small coal mining town, *Whisper Hollow* explores the complex lives of three very different women: Myrthen harbors a cold heart behind a face of piety; Alta is torn between duty to her family and the man she truly loves; and Lidia is a loving young mother who harbors a dark secret. When town scandals that have been buried as deep as the mines threaten to come to light, each woman must test her courage. This compelling story with its explosive ending makes for a riveting read." —**Pamela Klinger-Horn, Magers & Quinn Booksellers, Minneapolis, MN**
