Another Indie Favorite

There's No Such Thing as Little, by LeUyen Pham (Knopf Books for Young Readers, \$17.99) "‘Everyone says I’m little. I really don’t agree. If only they could see what I see when I look at me.’ There’s really no such thing as little according to the narrator of this cute picture book, who comes up with all kinds of words to describe things that other people might see as little—a unique snowflake, a brave fish, a fantastic idea. This is an inspiring book for grownups to share with children to show them just how amazing they really are.” —**Melissa Oates, Fiction Addiction, Greenville, SC**
